## 01 PROFILE

As a seasoned web developer with a strong commitment to continuous growth, I have been refining my skills in **HTML, CSS, and JavaScript** since the age of 15. With over six months of valuable internship experience, I have successfully implemented **visually-appealing** and **responsive web designs**, crafted intuitive user interfaces, and brought interactive elements to life. My dedication to staying abreast of the **latest web development trends** ensures that I am always at the forefront of the industry.

## 02 EDUCATION

Sep 2023 -Present

**Niagara College**  
Computer programmer

Toronto

I am currently pursuing a **Computer Programming course** at Niagara College, where I am gaining comprehensive knowledge and practical skills in various **programming languages, web development**, software development, and **problem-solving**. With a strong focus on team work and collaboration, I have actively participating in group **projects**, effectively contributing to the successful completion of assignments. Additionally, my **continuous drive for learning** and **staying up-to-date** with emerging technologies ensures that I am well-equipped to tackle complex coding.
