## 01  PROFILE

As a seasoned web developer with a strong commitment to continuous growth, I have been refining my skills in HTML, CSS, and JavaScript since the age of 15. With over three months of valuable internship experience, I have successfully implemented visually appealing and responsive web designs, crafted intuitive user interfaces, and brought interactive elements to life. My dedication to staying abreast of the latest web development trends ensures that I am always at the forefront of the industry.

## 02  EDUCATION

**Sep 2023 — Present**

### Niagara College                                                   *Toronto*

Computer programmer

I am currently pursuing a Computer Programming course at Niagara College, where I am gaining comprehensive knowledge and practical skills in various programming languages, web development, software development, and problem-solving. With a strong focus on teamwork and collaboration, I have actively participating in group projects, effectively contributing to the successful completion of assignments. Additionally, my continuous drive for learning and staying up-to-date with emerging technologies ensures that I am well-equipped to tackle complex coding challenges.
